1. Ko smo mi

Humanitarna organizacija "Mali svet Kanada" postoji od 2017 kada je i zvanično krenula sa radom.

Ono čime smo se rukovodili je naravno, prvo bitno ljubav prema deci. Potom, želja da budemo deo nečega što može mnogim porodicama da donese radost, mir, nadu ka boljem i lepšem životu.

Kao ljudi velikog srca, verujemo da su deca ljubav i radost ove planete i da je naša dužnost da im obezbedimo miran san, krov nad glavom i znanje koje će ih obogatiti, maštiju rasplamsati i time im snove ostvariti.

Cilj naše organizacije je da, u saradnji sa ljudima dobre volje i velikog srca, pruži konkretnu dugoročnu pomoć deci u Srbiji i Republici Srpskoj.

Najbitnije je da stipendistima omogućimo uslove za šire obrazovanje, da ih odškolujemo i pružimo mogućnost da iskoristi svoje intelektualne sposobnosti i ostvari svoj talent. Zato, na neki način, prioritet imaju odlični đaci koji su afirmisani još u nekim oblastima ili su talenti koji nemaju mogućnost da napreduju. Potrebno je i da pokazuju afinitete da uspeju, da se trude i da im je stalo da postignu nešto više.

Sve ovo, sa nadom da ćemo im dati i jedan drugi pogled na svet, da sutra kada postanu uspešni ljudi i oni nekom pomognu.

Osnivači su: Predrag Stojković, Stanko Kačar, Zoran Cerović, Ivana Đorđević, Duško Avramović. Članovi šire uprave: Mića Kurkić, Ilija Simić, Danijela Sretenović, Vesna Kidišević, Branka Milićević, Zorica Bogdanović, Dragana Cerovic i Dragan Milanovic

1. Who we are

The humanitarian organization “Little World Canada” has been operating since 2017.

Our guiding principle is, of course, our love for children. We are proud to be part of something that brings joy, peace, and hope for a better and brighter future to many families.

We believe that children are the love and joy of this planet. It is our duty to ensure they have a peaceful sleep, a roof over their heads, and knowledge that enriches them, ignites their imagination, and helps them achieve their dreams.

Our organization's goal is to provide concrete, long-term assistance to children in Serbia and the Republic of Srpska. The most important thing is to provide our children with the conditions for better education, to support their schooling, and to give them the opportunity to realize their talents. Therefore, in some way, priority is given to excellent students who have already excelled in certain areas or are talented individuals who lack the means to advance. They must also show a strong desire to succeed, work hard, and strive to achieve more.

All of this is done with the hope that we will give them a new perspective on the world, so that when they become successful individuals, they too will help others.

The founders of Mali svet Kanada are: Predrag Stojković, Stanko Kačar, Zoran Cerović, Ivana Đorđević, and Duško Avramović.

Members of the broader management team include: Mića Kurkić, Ilija Simić, Danijela Sretenović, Vesna Kidišević, Branka Milićević, Zorica Bogdanović, Dragana Cerović, and Dragan Milanović

2. Pismo Sponzorima

Kao što znate, situacija u Srbiji je veoma teška, posebno za mlade čija je budućnost neizvesna. Mnogi su izgubili nadu i prestali da sanjaju. Mnogi se bore samo da prežive.

Mi želimo da unesemo malo svetlosti u njihove živote. Na našoj listi stipendista trenutno imamo 78 vrednih studenata koji primaju finansijsku pomoć zahvaljujući vašim velikodušnim donacijama.

Vaš doprinos i veliko srce omogućavaju ovim studentima da nastave svoje obrazovanje i, uprkos neizvesnosti, završe školovanje koje su započeli.

Ponosni smo na to što smo za kratko vreme postigli, a sve to, bez Vas, ne bismo uspeli.

Stipendisti su nam nadareni, vredni, primerni i odlični učenici, tako da opravdavaju svo naše poverenje. Kažu da im je stipendija "vetar u leđa", da brže i bolje grabe napred.

Još jedno veliko HVALA što ste i dalje sa nama i što još uvek živite srcem i dušom.

Prenesite svojim prijateljima da "mali ljudi" mogu menjati makar male stvari i da je svaka promena način da rastemo i budemo bolji ljudi.

MSK nastavlja sa radom tako da ćemo vas obavestiti o aktivnostima koje planiramo.

Nadamo se uskorom druženju.

2. Letter to our sponsors

As you know, situation in Serbia is very difficult, especially for young people whose future is uncertain.

Many have no hope anymore. Many no longer dreams of colorful dragons. Many are just struggling to survive

We want to bring just a little light into their lives

On our scholarship list, we now have 67 hard-working students who are currently receiving financial aid, thanks to your generous donations.

Our contribution and big heart allow hard-working students to continue their education and, in addition to the uncertainty that is present, to complete the schooling they started.

We are proud of what we have achieved in a short time, and all that, without you, we would not have succeeded. Scholars are gifted, hardworking, exemplary, and excellent students, so they justify all our trust. They say that their scholarship is "wind in the back", that they are moving forward faster and better.

Another big THANK YOU for still being with us and for still living with heart and soul. Tell your friends that "little people" can change at least small things and that every change is a way to grow and be better people.

MSK continues to work so that we will inform you about the activities we are planning.

We hope to hang out soon.

Stipendista Malog sveta Kanada

Teodora T. - Kruševac

Želim da se zahvalijem organizaciji „Mali svet“ iz Kanade koja mi je omogućila primanje stipendije, za moje školovanje.

Stipendija mi pokriva troškove smeštaja i ishrane u đačkom internatu „Jefimija“ u Kruševcu, kao i za školski pribor.

Živim sa majkom i bratom od veoma malih primanja koja nisu dovoljna za naše školovanje.

Hvala Vam na ozbiljnosti i lepoj saradnji. Trudim se da Vaše poverenje opravdam dobrim ponašanjem i postignutim uspehom u školi. Nadam se da ću u budućnosti moći i ja da pomognem nekom detetu. Vaš primer je veliki gest humanosti.

Vanja Kukavica– Gradiška – Stipendista MSK

“Odličan sam učenik trećeg razreda Gradjevinske škole u Banjoj Luci, smjer geodezija. Živim sa majkom koja je nezaposlena i lošeg je zdravstvenog stanja. Stipendija Malog sveta Kanada mi mnogo znači i veoma sam Vam zahvalna. Pomaže mi da pokrijem troškove školovanja, srednjoškolskog doma u kojem sam smještena tokom školske godine jer se škola koju pohadjam nalazi u drugom gradu.”
